No

College faculty teachers staff are good. No other suggestion .thanks

Maximum job mela arrange by job profile completing student old&new all student this year.thsnks you.

Upgrade little more needed

Advance skill development like english speaking, data management, computer knowledge etc soft skills for student is assential in development sector so focused on skill development of students.

Books in the library should be increased

Excellent

Girls Hostel Requirement in the college & Bus Available for the Students

It is necessary to work with adavance skills in college. The college is doing work by taking some students. So other students do not come forward. Due to this situation, the outcry of the students is becoming negative. h It is important to note this matter. Hence the students will give positive feedback about the college to the society

No

Good all facilities

Best example for this your self because best desition own ur..... Choos

Very good

MSW education is special qualification but government job is not provide
