Praman Patra courses to run

Latest and updated ejournal must be subscribed by the library. Modern teaching methodologies be brought into the syllabus.

Today's era is known as ICT era. In every field, there is ICT knowledge is required. Therefore, basic ICT theory and practice knowledge should be included in Social Work syllabus.

Block placement / Internship should be compulsory every Year for the student to develop their skill and knowledge. ...skill base workshop is very important for student.

- 1) Research Journals and periodicals should be continued and increased
- 2) Emphasis should be given on Technology based Teaching learning, as well as outcome based Social work practices
- 3) Graduate student also should be given OJT opportunity
- 4) Computer knowledge regarding official knowledge should be percolated among the students while their graduation.
- 5) There should be budget provision for seminar, conference, and workshops.
- 6)

No

To enhance the social work curriculum, integrating contemporary issues and diverse perspectives is crucial. Here are some recommendations

1. **Books**:

- "The New Jim Crow: Mass Incarceration in the Age of Colorblindness" by Michelle Alexander - for understanding systemic racism and criminal justice issues.

2. **Periodicals and Journals**:

JYI - Journal of young

- "Journal of Social Work Education" - Focuses on educational innovations, research, and policy issues in social work education.

- "Social Service Review" - Publishes theoretical, empirical, and evaluative studies on social welfare policy, professional social work, and social service delivery.

3. **Online Resources**:

- Incorporate access to online platforms like The Conversation, where social work experts write about current social issues and research.

- Access to databases such as JSTOR, ProQuest, and PubMed for research articles and studies in social work and related fields.

4. **Incorporate Case Studies and Practitioner Insights**:

- Include case studies from diverse populations and communities to foster cultural competency and understanding.

- Invite guest speakers from various social work fields to share their experiences and insights with students.

5. **Ethics and Self-Care**:

- Integrate discussions and resources on ethics in social work practice, including ethical dilemmas and decision-making processes.

- Emphasize self-care techniques and strategies to prevent burnout and promote well-being, including teletherapy, digital advocacy, and online community building.

- Incorporate learning modules o

7. **Community Engagement and Fieldwork**:

- Strengthen partnerships with local organizations and agencies to provide meaningful fieldwork experiences for students.
- Encourage students to engage in community-based research projects to address real-world social issues and contribute to positive social change.

By integrating these elements into the social work curriculum, students can gain a comprehensive understanding of contemporary social issues, develop essential skills for practice, and contribute effectively to promoting social justice and well-being in diverse communities.
